

Kurumayama Snow Shoe trekking Map

Introductions

*It is forbidden entering the skiing area with snow shoes. The snowshoe course does not perform maintenance. Please enjoy at your own risk.

*It is necessary to get on a Skyliner lift and Skypanorama lift so that you go to the Kurumayama mountaintop.

*There are three wetlands of Kurumayama Marsh, Yashima Marsh, and Odoriba Marsh. It is Closed to the Public here because it is the Marshland of the natural monument.

*Please be careful not to hurt trees etc when walking with snowshoe.

*A fence is installed in Yashima Marsh to prevent invasion of deer. Please close the gate to prevent deer invasion.

*The toilet is in the Kurumayama-kogen ski resort, Kurumayama-kata, Kirigamine ski resort.
